

# Dr. Joe Blaes

Presents

## THE MASTER TOUCH VIDEO SERIES COLLECTION

### Virtuoso Veneers

This Two Part Video Training Program brings you a comprehensive understanding of the latest techniques in design, preparation and sealing of porcelain veneer restorations. Learn step-by-step as Dr. Blaes walks you through two classically diverse cases: A simple case and a more complex tooth repositioning case. Virtuoso Veneer Videos \$ 229.00 Plus shipping, handling, and sales tax. Available in VHS only.

### Quadrant Dentistry - Indirect Inlays and Onlays

This video teaches you to plan the treatment by the quadrant. Prevent the post-op sensitivity, place the temporary, work with the laboratory, determine the materials of choice and cement the case. Quadrant Dentistry \$ 89.95 Plus shipping, handling, and sales tax. Available in DVD or VHS.

### Conservative Tooth Preparation

Learn how to conserve healthy tooth structure utilizing revolutionary instrumentation to remove decay and protect the pulp. Conservative Tooth Preparation \$ 89.95 Plus shipping, handling, and sales tax. Available in DVD or VHS.

### Easy Aesthetic Veneer Provisionals

Learn the easy way to quickly and easily produce custom-made, perfect fitting, cosmetic veneer temporaries by using new materials and techniques that allow anyone to be successful. You will learn how to use a cosmetic wax-up to make your temporaries look just like the finished case. Easy Aesthetic Veneer Provisionals \$ 89.95 Plus shipping, handling, and sales tax. Available in DVD only.

### Step By Step Veneer Cementation

Watch as Dr. Blaes cements a typical veneer case. Learn to check veneers on the model, fit in veneers in the mouth, checking for fit, path of insertion and shade. Cement Veneers step-by-step showing what both the Doctor and the assistant are doing to successfully seat the case. Step by Step Veneer Cementation \$ 89.95 Plus shipping, handling, and sales tax. Available in DVD only.

# Empower Yourself

With the Skills You Need Today!

"Virtuoso Veneers is the meat-and-potatoes approach to understanding the placement of porcelain veneers."

Martin B. Goldstein, DMD in Dentistry Today

"Although there is a great deal of video education, this particular videotape series provides a step-by-step guide to achieving excellence in porcelain laminate veneers with excellent clinical presentation. Any dentist would immediately be able to dramatically improve the quality of the porcelain laminate veneer procedure."

Dr. Roger Levin, CEO of the Levin Group

"I really feel this video series is a must for every dentist and dental assistant who are doing lots of veneers or who want to incorporate more veneers into their practice. I loved it, and learned a lot and I know you will too."

Dr. Rich Madow, The Richards Report

## Two Day Hands-On Workshops "Veneers Made Easy"

Two days of personal instruction on making veneers with Dr. Joe Blaes. Learn all aspects of veneers, from start to finish. Case planning and selection of materials. You will work on stone models and typodont models. The class size is limited so call soon.

**BONUS! Clinical Model Discussion.** Dr. Joe Blaes will personally discuss treatment plans in a relaxed atmosphere. You may bring case models for this informal discussion group.
